## GAMBIT: Global And Modular BSM Inference Tool Members

Add yourself in the following format please when you are ready to accept the docs and give a time commitment:

**Member:** Savage Integrator  
Email: [savageintegrator@superheros.com](mailto:savageintegrator@superheros.com)  
Institute: University X  
Joined: Oct 2012  
Working Groups: XXXX  
Time Commitment: XX%

**Member:** Pat Scott  
Email: [patscott@physics.mcgill.ca](mailto:patscott@physics.mcgill.ca)  
Institute: McGill University  
Joined: Oct 2012  
Working Groups: Core/Models, Scanning, Collider, Dark Matter  
Time Commitment: 10–15% until end 2012, 20% during Semester 1 2013, 30+% from July 2013 onwards.

**Member:** Martin White  
Email: [mwhi@unimelb.edu.au](mailto:mwhi@unimelb.edu.au)  
Institute: University of Melbourne  
Joined: Oct 2012  
Working Groups: Models, Collider  
Time Commitment: 10–15% until end March 2013, 20% during 2013, rising post June

**Member:** Aldo Saavedra  
Email: [a.saavedra@physics.usyd.edu.au](mailto:a.saavedra@physics.usyd.edu.au)  
Institute: University of Sydney  
Joined: Oct 2012  
Working Groups: Core/Models, Collider  
Time Commitment: 10% till Moriond (March 2013), increasing after that.

**Member:** Abram Krislock  
Email: [abram.krislock@fysik.su.se](mailto:abram.krislock@fysik.su.se)  
Institute: Stockholm University  
Joined: Oct 2012  
Working Groups: Collider, Scanning  
Time Commitment:  $\geq 30\%$  until the baby arrives (due Nov. 26 2012), then 0–5% for about 2 months, then back to  $\geq 30\%$ .

**Member:** Csaba Balazs  
Email: [csaba.balazs@monash.edu](mailto:csaba.balazs@monash.edu)  
Institute: Monash University  
Joined: Oct 2012  
Working Groups: Core/Models, Collider, Dark Matter  
Time Commitment: 10-15% in 2012.

**Member:** Andy Buckley  
Email: [andy.buckley@cern.ch](mailto:andy.buckley@cern.ch)  
Institute: School of Physics & Astronomy, University of Edinburgh  
Joined: Oct 2012  
Working Groups: Collider  
Time Commitment: 5-10%

**Member:** Christoph Weniger  
Email: [c.weniger@uva.nl](mailto:c.weniger@uva.nl)  
Institute: GRAPPA Institute, University of Amsterdam  
Joined: Oct 2012  
Working Groups: Dark Matter, Models  
Time Commitment: 10-15% until April 2013, 20% afterwards.

**Member:** Are Raklev  
Email: [ahye@fys.uio.no](mailto:ahye@fys.uio.no)  
Institute: Department of Physics, University of Oslo  
Joined: Jan 2013  
Working Groups: Collider, Core/Models  
Time Commitment: 10% until summer 2013, 20% after.

**Member:** Anders Kvellestad  
Email: [anders.kvellestad@fys.uio.no](mailto:anders.kvellestad@fys.uio.no)  
Institute: Department of Physics, University of Oslo  
Joined: Oct 2012  
Working Groups: Collider, Core/Models  
Time Commitment: 10% until summer 2013, 20% after.

**Member:** Torsten Bringmann  
Email: [torsten.bringmann@desy.de](mailto:torsten.bringmann@desy.de)  
Institute: II. Institute for Theoretical Physics, Hamburg University  
Joined: Oct 2012  
Working Groups: Dark Matter, Models  
Time Commitment: 10% until autumn 2013, 20% afterwards.
