GAMBIT: Global And Modular BSM Inference Tool Members

Add yourself in the following format please when you are ready to accept the docs and give a time commitment:

Member: Savage Integrator

Email: savageintegrator@superheros.com

Institute: University X Joined: Oct 2012

Working Groups: XXXX Time Commitment: XX%

Member: Csaba Balazs

Email: csaba.balazs@monash.edu Institute: Monash University

Joined: Oct 2012

Working Groups: Core/Models, Collider, Dark Matter

Time Commitment: 10-15% in 2012.

Member: Torsten Bringmann Email: torsten.bringmann@desy.de

Institute: II. Institute for Theoretical Physics, Hamburg University

Joined: Oct 2012

Working Groups: Dark Matter, Models

Time Commitment: 10% until autumn 2013, 20% afterwards.

Member: Andy Buckley Email: andy.buckley@cern.ch

Institute: School of Physics & Astronomy, University of Edinburgh

Joined: Oct 2012

Working Groups: Collider Time Commitment: 5–10%

Member: Jonathan M. Cornell

Email: jcornell@ucsc.edu

Institute: Stockholm University

Joined: Oct 2012

Working Groups: Dark Matter, Models

Time Commitment: 30%

Member: Lars A. Dal Email: l.a.dal@fys.uio.no

Institute: Department of Physics, University of Oslo

Joined: Oct 2012

Working Groups: Dark Matter, Core

Time Commitment: 5% until summer 2013, 10+% after.

Member: Joakim Edsjö Email: edsjo@fysik.su.se

Oskar Klein Centre and Department of Physics, Stockholm University

Joined: Oct 2012

Working Groups: Dark Matter Time Commitment: 15% in 2013

Member: Abram Krislock

Email: abram.krislock@fysik.su.se Institute: Stockholm University

Joined: Oct 2012

Working Groups: Collider, Scanning

Time Commitment: $\geq 30\%$ until the baby arrives (due Nov. 26 2012), then

0-5% for about 2 months, then back to $\geq 30\%$.

Member: Anders Kvellestad Email: anders.kvellestad@fvs.uio.no

Institute: Department of Physics, University of Oslo

Joined: Oct 2012

Working Groups: Collider, Core/Models

Time Commitment: 10% until summer 2013, 20% after.

Member: Are Raklev Email: ahye@fys.uio.no

Institute: Department of Physics, University of Oslo

Joined: Jan 2013

Working Groups: Collider, Core/Models

Time Commitment: 10% until summer 2013, 20% after.

Member: Aldo Saavedra

Email: a.saavedra@physics.usyd.edu.au

Institute: University of Sydney

Joined: Oct 2012

Working Groups: Core/Models, Collider

Time Commitment: 10% till Moriond (March 2013), increasing after that.

Member: Christopher Savage Email: chris@savage.name

Department of Physics & Astronomy, University of Utah

Joined: Oct 2012

Working Groups: Dark Matter, Scanning

Time Commitment: 20% in 2013

Member: Pat Scott

Email: patscott@physics.mcgill.ca Institute: McGill University

Joined: Oct 2012

Working Groups: Core/Models, Scanning, Collider, Dark Matter

Time Commitment: 10–15% until end 2012, 20% during Semester 1 2013,

30+% from July 2013 onwards.

Member: Christoph Weniger Email: c.weniger@uva.nl

Institute: GRAPPA Institute, University of Amsterdam

Joined: Oct 2012

Working Groups: Dark Matter, Models

Time Commitment: 10–15% until April 2013, 20% afterwards.

Member: Martin White Email: mwhi@unimelb.edu.au Institute: University of Melbourne

Joined: Oct 2012

Working Groups: Models, Collider

Time Commitment: 10–15% until end March 2013, 20% during 2013, rising

post June
